SCJ MASTER COUNCILOR

Public awareness is the key to the growth of every organization. Why do you think groups such as Boy Scouts and Boys and Girls Club are so successful? Because they are well known by everyone in the community. Believe in me when I say that if we can spread the word of DeMolay throughout Southern California, our Order will flourish. Do not keep this organization a secret from those around you. Tell anybody and everybody. Don't know how to describe DeMolay? No problem. The Jurisdiction is always there to support the members and affiliates of DeMolay in providing any ideas or information they may need. So, what are you waiting for? Get out there and spread the word of DeMolay!

Brian James

SCJ DEPUTY MASTER COUNCILOR

This is going to be a great year in Southern California. We have some great new ideas that we want to see put into place. We are looking to make this a bigger and better jurisdiction for all of us. With the district and jurisdiction officers all working towards the same goals I am sure that we can only make Southern California stronger then ever. We have started the year with great communication and that has allowed for a lot of travel for everyone. Remember to call your officers and tell them what is going on in your chapter so that you can have great attendance at your events. Communication is key so if you want your chapter events posted on the website send it to calendar@scjdemolay.org. Keep up the good work guys and remember to travel and have fun.

We have a great core of officers for the district, a few of which who have been district officers before and all of which with lots of enthusiasm. We want to make the district the best it can be, and with this core of officers, I think we can achieve our goals for the year and the district. We have quite a few fun events planned for this next year. We are hoping to open at least one new chapter in the district, with a new plan of action, we should be able to open another chapter. We are going to have a blast this next year in SPD. Thank you for your support and we look forward to competing against the other districts for the different awards.

SCJ PRINCESS

Hello to all of you in SCJ!

I hope everyone is enjoying the beautiful fall season. I would like to thank everyone for giving me the opportunity to represent SCJ as your Princess for this year. I look forward to seeing all of you as I travel throughout the jurisdiction. The sweethearts and Princesses are working towards helping out charities this year. It is always a great feeling to end the day knowing that you were able to help someone in need. I encourage all of you to help out your local communities and get involved with a charity. It would not only help the charity but also help promote DeMolay.

Good luck on your terms and I will see all of you soon.

EXECUTIVE OFFICER

This year's Conclave was one of the best, and it was due to hard work by many people. Thanks so much to Dad Bart Bodnar for soliciting the Lodges and then buying all the food for the Hospitality Room. Thanks to Dad Greg Gabriel for accepting my suggestions about how the Hospitality Room could be run, and then getting the people to run it so well. Thanks to Evan and the guys from Huntington Beach for building the Giant Twister. Thanks to Dad Barr for doing way too much with way too little time. Thanks to Barbie (as usual) for all the logistical work. As you know, there were many people willing to help Dad Peterson bring you the best Conclave ever. I wish I had the time and room to acknowledge all of them.

I would also like to thank you – the DeMolays. Thanks to you guys who always come to the chapter meetings and activities. Without your hard work during the year, your chapters would fail. Thanks to all the District Officers, elected and appointed. Thanks to the five guys who went to Conclave for free...you collectively brought in 15 new members to SCJ. Thanks to the members, chapters and districts who received trophies, awards, and honors – you should all be proud.

SCJ keeps growing stronger. I am confident that with the new slates of officers, at all levels, we can make 2006 even better than this past year. So I thank you in advance – I know it will be a great year.

CONCLAVE

Conclave was a great experience for all who were there. We handled our the business at conclave and then we showed the other jurisdictions that we know how to have a good time. We should all give a big thanks to Dad Peterson and Kevin Tilley for all the hard work that they put into conclave. At the start there we some great things going on. On Friday night at opening session all of the districts showed some great spirit and it was good to see all the people who dressed up in the theme for this year. Then there was a dance and

caucuses. We all had a great time at the Saturday activates. During the day there was a dunk tank and a pretty intense game of dodge ball going on. And at night, after the great pasta buffet, there was a wonderful casino night and miniature golf course. Sunday there was the district installation followed by Grand Banquet where the new jurisdiction officers were installed. As usual, everyone had a great time at the dance afterward. Congratulations to everyone who received an award at Grand Banquet. It was a good thing to see all the people

who were awarded last year for all of the hard work they put forth. This is a kick off to what could be the best year ever in Southern California Jurisdiction.. So lets get out there and make it happen. Stay spirited and work hard and next year will be even better. Thanks again to everyone who worked so hard to see that Southern California DeMolay had a great conclave.

JURISDICTION DAD

As is always the case, the new DeMolay year begins with a high level of enthusiasm and excitement. There is no doubt in my mind that the Jurisdiction officers along with the District Presidents and officers will work their hardest to develop programs that are fun and well executed.

Look for some new ideas this year and some of the same great events you have come to enjoy. There is going to be a great deal of emphasis placed on training and membership this year. The groundwork has been laid to start building SCJ into the premier DeMolay organization. With each and every one of the DeMolays, advisors, sweethearts, princesses, and parents working towards this common goal, I have no doubt that we will achieve the level of excellence we should expect. Keep your eyes open for the new and improved SCJ because it's coming to a chapter near you.

Good luck to all of the chapters this year in their efforts to be crowned Chapter of the Year. Keep track of the points and if you need more information of the Chapter of the Year program, contact the jurisdiction office. There are several chapters out there that are in the running this year. It should be a great competition and a great year.
